Hello, Dorchester District Court Staff and Records Staff:

My name is Lex, and I am a reporter with Lady Freethinker. I hope this finds you well!

I wanted to circle back to you about an animal cruelty case that we covered awhile ago, in which authorities charged Defendant Justin Williams with animal cruelty after he reportedly put a chihuahua in a clothes drier and then turned the machine on.

The docket number with this case is 2207CR0790.

Can you please tell me where Mr. Williams' case is in the system? If he has been sentenced, can you please also tell me what the judge ruled and any conditions associated with the sentence, or if he has not, when his next court hearing is?

Or if this case is available online, can you please let me know any links where we could check for updates?

Thanks for your time and consideration of this request: Hoping it's not too onerous for your staff.

We just need to know when his next court hearing is, but I was told to submit this as a records request. Please let me know if you need anything else on our end, and you can reach me at phone or email at your preference.

Best,
Lex
