**TOTAL PENALTY AMOUNT DUE: \$600**

Dear Sir or Madam:

On 7/16/2020, during an inspection of your establishment by the Department of Agriculture and Markets (the "Department"), insanitary conditions were observed at the business premise and are set forth in an inspection report which was provided to the establishment. Based upon these conditions, the Department has assessed the \$600 penalty noted above.

**Your payment must be received by the Department within 30 days of the date of this Notice of Assessment of Penalty.** If payment is not received, the Department will bring a lawsuit to recover the penalty, together with interest and costs.

Payments may be made by certified check, bank check, money order or by credit card. Checks and money orders must be made payable to "Department of Agriculture and Markets" and have your LB No. and Est. No. (found above) written on the front of the check or money order. If you are paying the penalty by credit card, use the credit card section of the enclosed Penalty Unit Payment Form. All payments and the Penalty Unit Payment Form must be mailed to Department of Agriculture and Markets, Counsel's Office, P.O. Box 651, Albany, NY 12201-0651, and be received within 30 days of the date of this notice.

If this is your first penalty, you may be eligible for the Department's Penalty Reduction Program. See the enclosed sheet for information, which describes this recently revised program. If you believe you can qualify, submit a Penalty Reduction Request on the enclosed form within 30 days of the date of this notice, together with the required \$300 payment.
